

## How to join your teacher's Zoom class from a smartphone

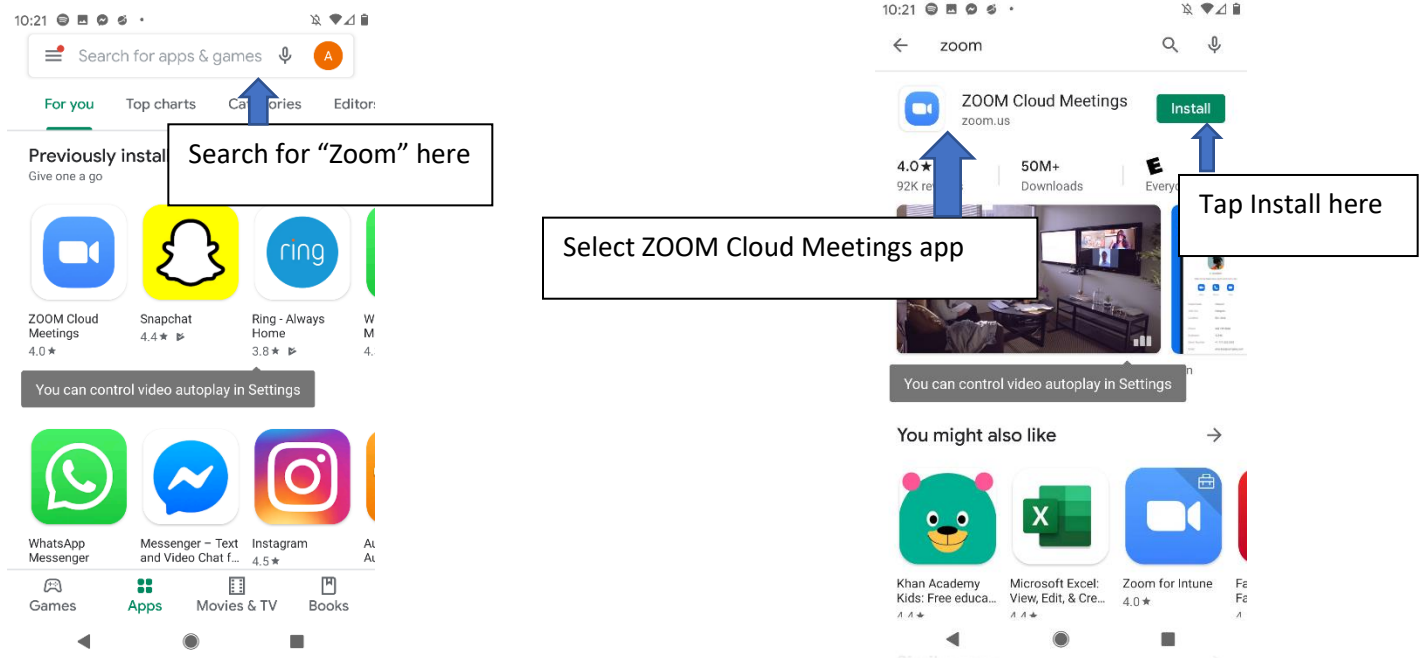

\*\*A Zoom class (call) will use your cell phone data. Try to use Zoom when you are connected to WiFi.\*\*

If you are using a smartphone, you will need to download the Zoom app. This is a FREE app.

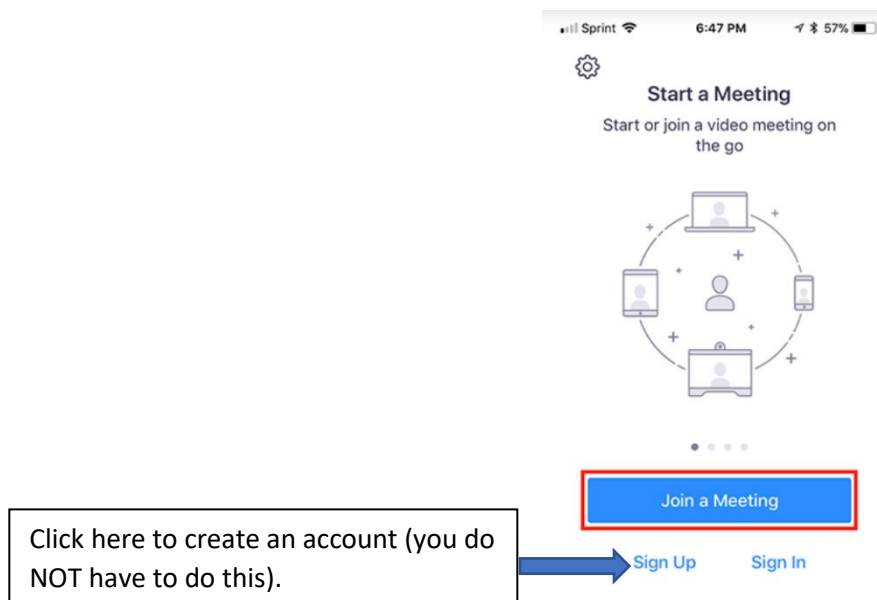

You can do this through the Google Play Store on an Android phone or the App Store on an iPhone.

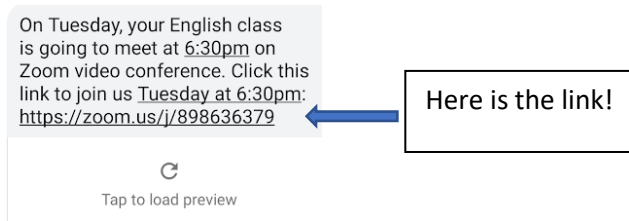

Search for "Zoom" and select the ZOOM Cloud Meetings app and Install it. It is FREE. Your phone might look a little different to the pictures below.

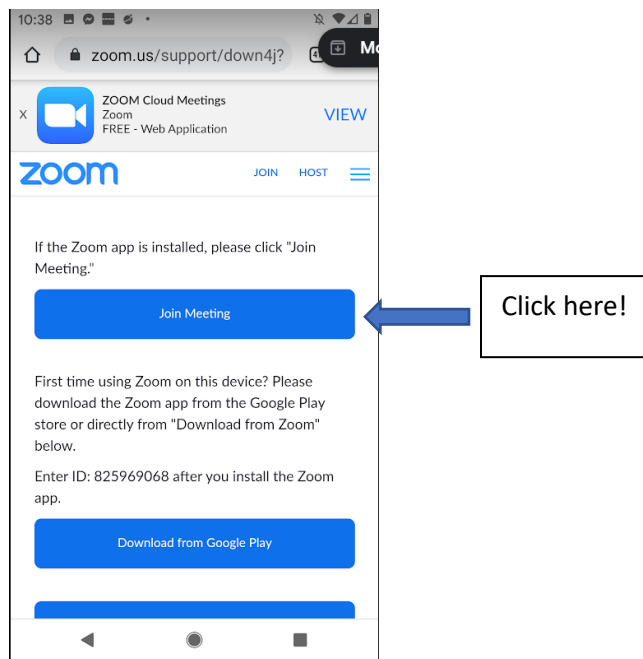

When you open the app for the first time it will look like this. You do NOT need to sign up for an account to use Zoom for class, but you can if you would like to.

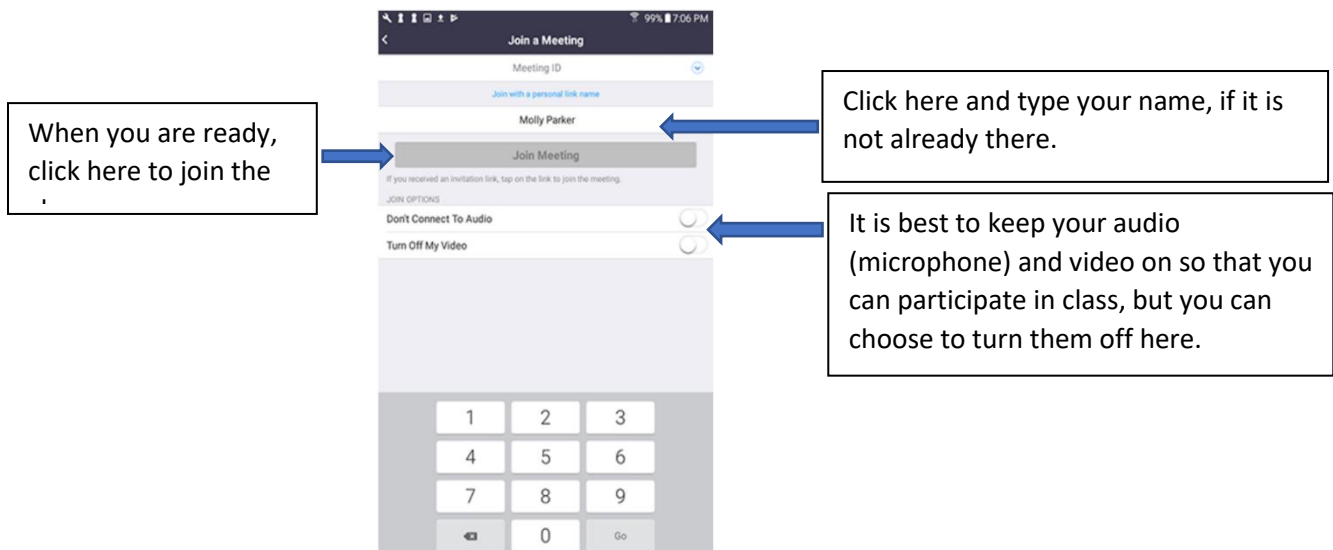

Your teacher will send you a text with a link to join your Zoom class (she might have already sent it). At the time of your class, click on the link in the text message. (\*\*You can still join the Zoom class if the link is on a different phone – go to last page for instructions\*\*).

You will probably see a screen that looks like this. Click on “Join Meeting” and the Zoom app will open automatically.

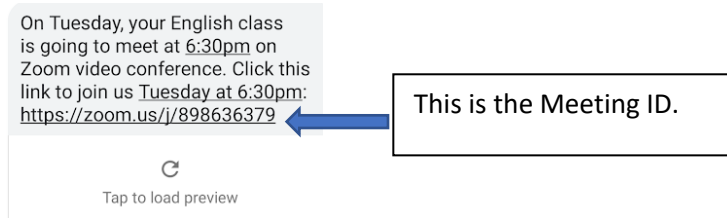

Your screen will probably look like this. Enter your display name (your name) and click Join Meeting.

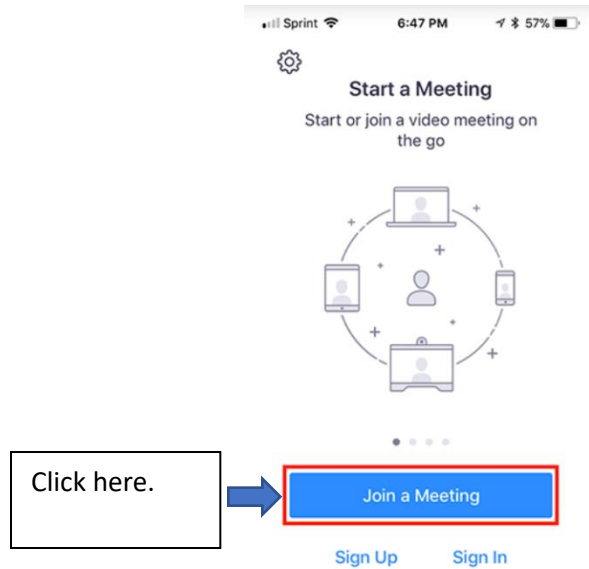

Welcome to class!

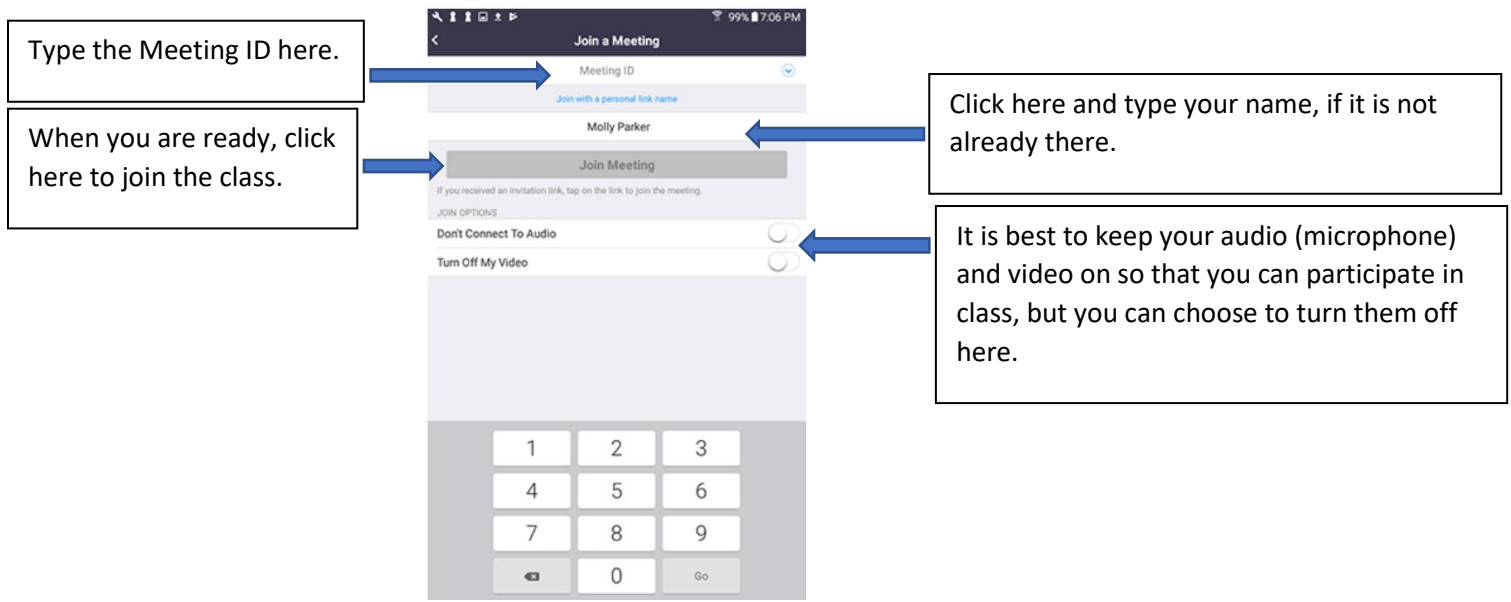

\*\*To join the Zoom class on a phone other than the one where you received the texted link, look for the Meeting ID at the end of the weblink (the numbers after j/).

Open your Zoom app and click on Join a Meeting.

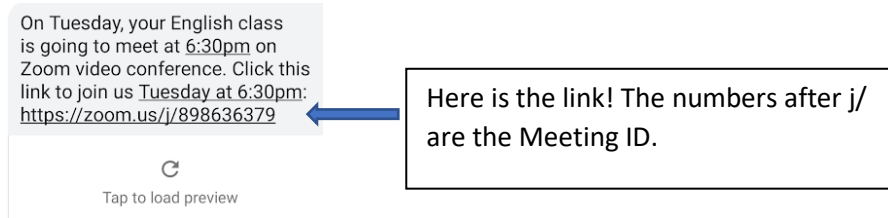

Enter the Meeting ID into the top box and your name into the Display Name box, then click Join Meeting.

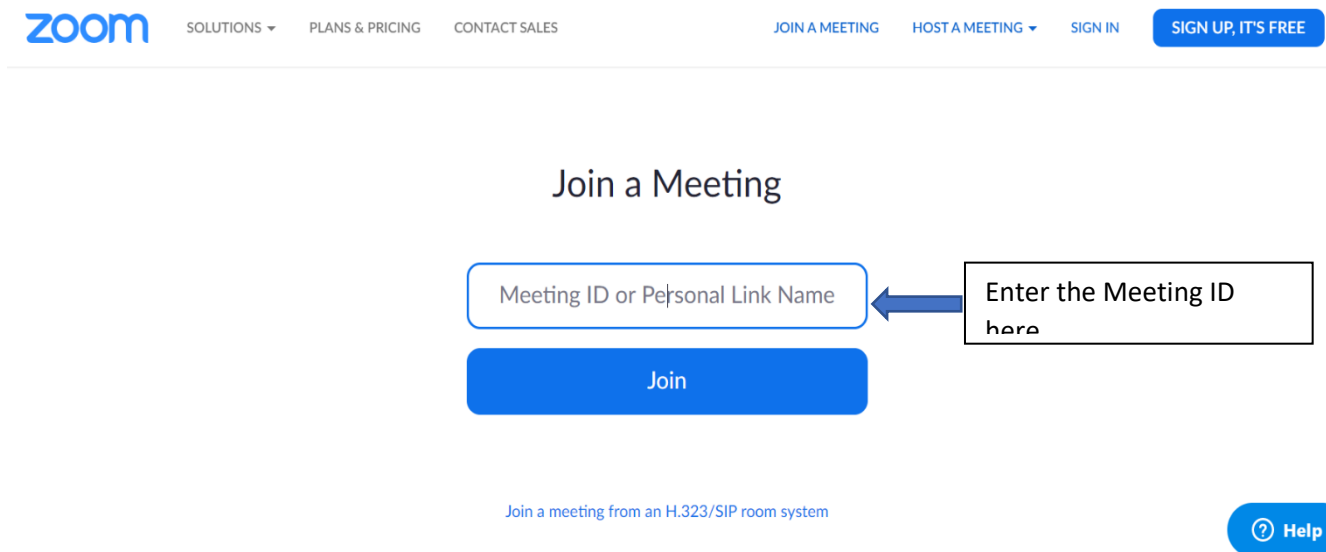

## How to join your teacher's Zoom class from a computer

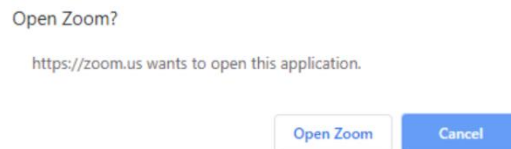

Your teacher will send you a text with a link to join your Zoom class (she might have already sent it). Look for the weblink at the end of the text – you will need the Meeting ID, which is the series of numbers after j/ in the weblink.

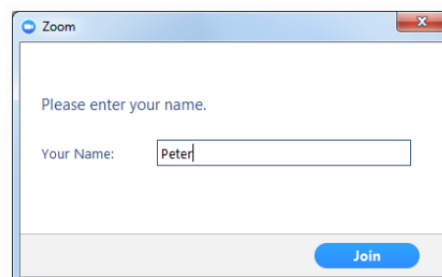

On your computer, go to [join.zoom.us](https://join.zoom.us) and enter the Meeting ID from your text message into the Meeting ID box, then click Join.

If this is your first time using Zoom on your computer, a box will pop up asking if you want to “Open Zoom?”. Click on the Open Zoom button. This box might look different on your computer – choose the option to open Zoom.

A box should pop up asking for your name. Enter your name and click Join.

Welcome to class!
